Isn't it about time you get your favorite car out of storage? Are you a car enthusiast? Do you enjoy driving your car? Do you like to drive on backcountry roads? Do you like to meet people? Do you hate driving in traffic? Then a car rally is for you. A car rally is a car contest that is legally held on public roads that are the roads least traveled. You will be surprised at how many backcountry roads there are around here. Any two people can enter as a team made up of a driver and a navigator.

Sturculinus Creek is a 'Monte Carlo' style rally with a slight twist, that being instead of being given the time and mileage for each control you will be given the time to each control and its' location on a map. Only **paved roads** will be used.

The start location for the **Sturculinus Creek Car Rally** is at **Beth's Twin Bluffs Cafe** on Hwy 35 in **Nelson, WI**. **Registration** begins at 9:45 AM. The 1st car begins at **11:01 AM** and subsequent cars start at 1-minute intervals. There'll be a short break at **The Waumandee Store** (great sausage & wieners, bring a cooler so you can take some home). The rally will finish around 3:30 at the **Monarch Tavern** in **Fountain City, WI**. There are three competition classes: **Expert** for those that have competed in more than 5 rallies in the past 3 years, **Sportsman** for those that have competed in 3 -5 rallies in the past 3 years, and **Novice** for those that have competed in less than 3 rallies in the past 3 years. Due to the nature of this rally **special rally equipment** offers no significant advantage so you are free to use the equipment of your choice. If you have any questions fell free to contact the **rallymaster**:
