Course utilizes an approximately 5/8 mile long driver training facility.

COST: \$25.00 for SCCA members with a current membership card - each day
\$35.00 for nonmembers
\$ 5.00 service charge for entrants who register after 10:30 *
*** late registration may mean fewer runs**

WORK: All entrants will be required to work at various positions around the track to help facilitate the event. This generally consists of replacing pylons, noting penalties, and helping ensure a safe event.
