The Sports Car Club of La Crosse
together with
Land O'Lakes Region SCCA
presents

2009 SOLO EVENTS and CHAMPIONSHIP

Solo is the SCCA brand name for autocross competition. Solo events are driving skill contests that emphasize the driver's ability and the car's handling characteristics. This is accomplished by driving a course that is designated by traffic cones on a low hazard location, such as a parking lot or inactive airstrip. While speeds are no greater than those normally encountered in legal highway driving, the combination of concentration and car feedback creates an adrenaline pumping experience. It is like being in a movie chase scene, only you are holding onto the steering wheel instead of a box of popcorn!

The SCCA classifies a full range of imported and domestic sports cars, sedans, and purpose-built race cars. There is a class for just about any vehicle. The organizers of local events are also allowed enough leeway to add classes to suit their particular requirements.

WHERE: Minnesota State College – Southeast Technical, Winona MN
and the
LaCrosse Fairgrounds Speedway, West Salem WI
